This letter is in further response to your California Public Records Act request, dated January 11, 2019 and received in our Office January 14, 2019 for records available as the result of the implementation of Senate Bill 1421.

On February 15, 2019, you were sent an index of files that were under review for prohibited disclosures.

As previously noted, the District is endeavoring to comply as swiftly as possible with the changes enacted by SB 1421 to Penal Code Section 832.7 while preserving the safety and privacy of those protected by the statute. The District is continuing the process of reviewing responsive records for prohibited disclosures. The District now estimates that documents will be available by April 5, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you. Thank you for your patience.

Sincerely,

Patricia K. Williams  
District Secretary
